

COVID-19 Protocol-at-a-Glance

In addition to government regulated health and safety guidelines, the following additional safety measures have been put in place at all locations of Lynde Dermatology:

- Patient and employee screening measures upon entering the building (may include a temperature check)
- Physical distancing signage and floor spacing (six (6) feet)
- Waiting chairs have been organized according to physical distancing guidelines (six (6) feet)
- Maximum number of patients permitted in our clinic at one time
- Plexi glass has been installed at all reception check in and check out desks
- Disinfecting of examination rooms after each patient use
- Mandatory use of Personal Protective Equipment for patient-facing employees
- Mandatory use of face masks/coverings for patients and visitors (effective June 1, 2020).

For any questions, comments or concerns regarding Lynde Dermatology COVID-19 policies and procedures, please contact Alison Lynde at through virtualhealth@lynderma.com or 905-201-5530.
